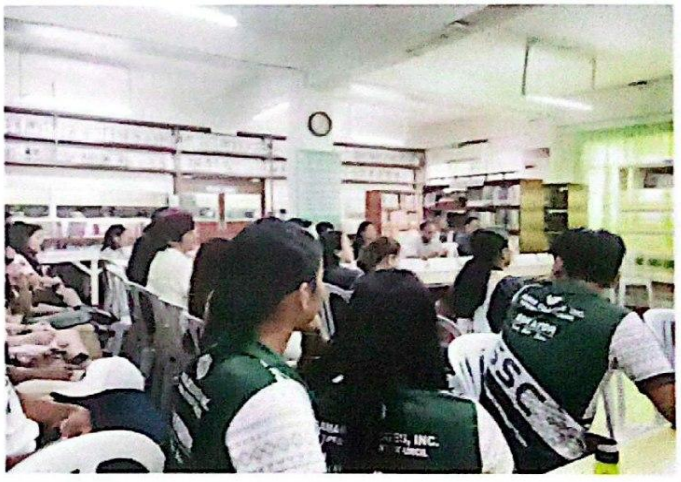
**Activity:** Consultative Meeting on the Proposed Tuition Fee Increase for SY 2026–2027

**Date:** March 31, 2026

**Venue:** Samar Colleges, Inc.- Graduate Studies Library



**Description:** The Supreme Student Council participated in the Consultative Meeting on the Proposed Tuition Fee Increase for School Year 2026–2027. The activity served as a platform for dialogue between the administration and various stakeholders regarding the proposed adjustment in tuition and other fees. Through active participation and representation, the SSC ensured that the interests and concerns of the student body were communicated and considered during the consultation process. The meeting highlighted the importance of stakeholder engagement, transparency, and shared responsibility in institutional decision-making.

**Objectives:**

- To provide a venue for stakeholders to discuss the proposed tuition fee increase for School Year 2026–2027.
- To present the financial basis and rationale behind the proposed adjustment in tuition and other fees.
- To encourage transparency and accountability in matters affecting the student body and the institution.
- To gather the opinions, concerns, and recommendations of students, faculty members, and school officials.
- To facilitate informed decision-making through consultation and stakeholder participation.

**Activity:** The consultative meeting commenced with the presentation of the institution's financial report by the School Accountant, providing participants with an overview of the school's operational expenditures, developmental initiatives, and other factors supporting the proposed increase in tuition and fees. Following the presentation, an open forum was conducted, allowing student leaders, faculty representatives, and members of the administration to exchange views, raise concerns, and seek clarification on matters related to the proposal. Discussions focused on ensuring that any approved increase would contribute to the improvement of educational services, faculty welfare, and campus facilities. After the deliberations, stakeholders cast their votes regarding the proposal, and the results reflected the collective decision of the representatives present. The activity concluded with remarks emphasizing the importance of utilizing institutional resources effectively to sustain and enhance the quality of education provided by the school.
